## Native American Festival

VERONICA  
WIESE

Veronica fell in love with history while listening to her dad drone on for hours about Hannibal, the Huns, ancient Rome, and the founding of America. She began studying, demonstrating, and teaching 18th and 19th century life skills over 20 years ago with an emphasis on the lives of the amazing women, of European and Native descent, who helped build a new country from scratch. Veronica has published 5 books of historic recipes and culinary techniques.
